Directions

Using at least 150 words, write your **Personal Statement of Belief** (Creed). Explain what you believe about the following.

1. Who is the true God?
2. What does God do? (I.e. what does each person of the Trinity do for you?)
3. What is Eternal Life?
4. How is one saved?
5. How are we to live our life in response to what God has done for us?

Your honest and personal response is primary, however a demonstration of your knowledge of the information covered in the assigned chapters as well as the talks given during class will certainly earn you brownie points. For reference use your catechism specifically the section on the Creed (Pages 102-173) Please write legibly or better yet type the project and attach it to this form or email it to Pete at Philler@foclutheran.org
