### **An opportunity...**

Each summer, Family of Christ Junior & Senior Youth and young adults participate in Servant Trips, Summer Events, and Retreats/Camps. This is an important part of their Christian growth and development to build their faith and relationships with Jesus Christ, our Lord.

### **What are Servant Events?**

These Events are not just “fun” events for youth. Our young people will be giving of their time and talents to help others in need. Servant Events offer young people the opportunity to experience the joys of servanthood. Some of the events include:

- building projects and home repair
- helping with VBS and children’s programs
- visiting nursing homes
- helping at orphanages
- participating at food shelves and serving meals

They offer life-changing experiences that not only affect those served, but also those who serve.

### **There is a cost...**

These young people also need to pay for their own expenses on these trips, including transportation, meals, lodging, and costs for materials and supplies for the programs they work with. Costs per trip vary from \$300 to over \$1000.
